

Itinerary - NVF 53, Iceland tour 29 June - 1 July 2005.

29 June 2005.

Meeting point is the Reykjavík Domestic Airport, where guests will leave on an hour's flight to Egilsstaðir at 18:00. Check-in at airport is 30 minutes before the flight, at 17:30. Estimated flight arrival times from Copenhagen, Stockholm and Oslo is between 15:10-15:30 and Helsinki 15:55. We recommend that guests take the FLYBUS, which drops guests off at the downtown BSÍ bus terminal in Reykjavík (40-50 minutes drive, ISK 1.150 per person) before proceeding to the domestic airport (please make sure you inform the busdriver/assistant where you need to be dropped off). If the time frame is tight taxis are available outside the air terminal (one way price is ISK 8.000-9.000 and they take 4-6 people). A bus will await us at Egilsstaðir Airport for transfer to Hótel Hérað www.icehotels.is Dinner and overnight at Hótel Hérað.

30 June 2005.

After the morning meeting we will have lunch at hotel before proceeding on a tour to Kárahnjúkar Hydropower Project www.karahnjukar.is/en/ Enroute we will drive along the Lagarfljót lake and pass through the beautiful Hallormsstadur forrest. After a visit of the power plant and vicinity we drive back to Hótel Hérað for dinner and overnight.
